

UGO

Corten table

DESCRIPTION

The Corten coffee table UGO is inspired by ancient Japanese origami art. The designer Tommaso Rubino was inspired by elegantly bent paper sheets. The minimalist shape of the Corten structure integrates a decorative detail creating a particular feel. A cement tile offers a vintage touch to the coffee table. Being small and easy to place, Ugo table permits you to personalize the indoor environments with elegance. It is possible to choose different types of *decorations (majolic) which will fit in harmony with your home furnishings.
