

VANITY

Corten wall-mounted coat & mirror

DESCRIPTION

Vanity is a wall-mounted coat rack including a mirror with simple and elegant design for a practical and versatile use. The coat rack with the cylinder-turned wooden hooks, is fixed on wall through two supports in waxed brown Corten. For all the "vain" people, Umberto Colasanto has designed the mirror and the clothes hanger in corten in which reflects our personality. Vanity is adapted to any type of interior environment.
